

What is Scrip?

- Scrip cards are an alternative form of payment for the same things you buy every day. It's similar to writing a check, using a debit card or gift card.
- Families order scrip cards at full face value – in other words - \$50 cash buys a \$50 scrip card.
- Each vendor provides a percent discount per face value of the Scrip card.
- The difference between the retailer discount and the face value is revenue for St. Paul's.

What is available?

- Over 300 retailers participate in scrip including locals such as IGA and Cravings
- New retailers and promotions are added each month
- Obtain an entire listing at <https://www.glscrip.com/shop/Default.aspx>

How does St Paul's Scrip program work?

- Scrip cards for select vendors are available for purchase **every** Sunday after services and during office hours.
- Families order scrip each week either online at <http://www.shopwithscrip.com/> or order forms available on St. Paul's web site or in the welcome center.
- Families deposit payment at the Scrip Center in the welcome center.
- The Scrip Coordinator places our order every week with order processing on Wednesdays.
- Scrip cards are placed in your mailbox about mid-week or sent home with St. Paul's school children.
- Families shop at participating retailers and redeem the scrip for full face value.
- Families may also give the cards as a gift or mail them to college students.
- The discount is split 50/50 between the family and the church.
- Families may choose any of the following to disperse your 50% discount:
 - ✓ St. Paul's tuition for your family – even if your toddler hasn't started school yet we will track your discounts to apply for tuition when your child starts school at St. Paul's
 - ✓ School/Student assistant fund
 - ✓ St. Paul's line of credit loan
 - Example: Your family orders and receives a Kwik Trip card for \$25 with a 9% discount. 4.5%, or \$1.13, is used as above.
- St. Paul's benefits from the remaining discount by applying it to our line of credit loan.
- You will receive a statement at the end of each year of your scrip contributions for tax purposes.

How do I place an order?

- Complete paper order forms, available on St. Paul's website or in the Welcome Center, and drop in the order box in the welcome center along with payment.
- Set up an online account at <http://www.shopwithscrip.com/> using handout available on the St. Paul's website or in the welcome center. Submit your order online and drop payment into the Scrip Center.
