April 1-5

### From the Explorers (1-2yrs):

We got our fill feeding the very hungry caterpillar this week! We also made caterpillar art and learned about how Jesus cares for us!

Ms. Rhea

### From the Inventors (2-3yrs):

We have had some changes to our classroom due to a new season and new calendar month. We changed our calendar and added a new ice cream color (pink) to our ice cream cone! Our sensory table has a new look with beans and peas, butterflies, birds and measuring cups for scooping and pouring.

This week we are learning about the weather! We have a matching raindrops to umbrellas (by shape) activity, and a dots marker weather activity for our table activities. Our easel has weather pictures for painting and we were able to make it "rain" in our water table this week.

Reminders: Next week we will be focusing on **Week of the Young Child**. Please let me know as soon as possible if you will be able to join us for lunch on Friday. You are welcome to join us for lunch even if you are scheduled off that day.

We will be adventuring outside more now that spring is here! Please make sure that your child (ren) have appropriate outdoor clothing in their cubbies.

Book We Read: *Spring Is Here*
