From the Director:

We've been having a blast celebrating the Week of the Young Child this week! Our classrooms have been doing various activities to celebrate the young children in our care and their families.

I've had a few questions regarding monthly summer care schedules for school-aged children. You will receive a monthly form to fill out prior to the start of the month. Please indicate what hours you think you will need for care and prepay that amount. If you need to make adjustments, those can be made by Wednesday by 6pm of the week before and we will make adjustments in billing. Monthly schedules with payment are due by Wednesday by 6pm of the week before the start of the new month.

Reminders:

- Schedules are due Wednesdays by 6pm.
- Please have the form for summer care needs turned in as soon as possible. Please let me know if you have any questions!

From the Discoverers (6wks-1yr):

We would like to welcome Joel to our classroom! We have had fun listening to baby music, working together with rolling and bouncing and making art projects.

Reminders:

- Please bring a family photo in by Friday April 20th.
- Please make sure to look over your child's daily sheet EVERY DAY!
