The National Association of Educating Young Children is coming up April 16-20. Our classrooms will be doing various activities to celebrate the young children in our care and their families.

Two new policies concerning summer care enrollment and reduction in care were put in your mailbox. If you have any questions, please let me know!

Reminders:

- Schedules are due Wednesdays by 6pm.
- **All** children must wash their hands immediately at drop-off and immediately when a parent arrives to pick them up.
- **Registration packets for 3K for the 2018-19 school year are due as soon as possible.**
- Did you know that St. Paul's has the ability to take payments directly from your bank account by signing up for VANCO? If you find that you are having trouble remembering a check or would like to remove one extra thing off of your "To Do" list, please let me know, and I will get you the forms with more information.

From the Discoverers (6wks-1yr):
