Weekly Newsletter

From the Director

Dear Parents,

You have been entrusted by God with the most important job of loving and training His precious lambs. Remember that He is with you always as you navigate the challenging days of parenthood.

Joshua 1:9 -

Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.

My office hours during the school year:
12:45pm-2:15pm and from
3:30pm-4:30pm M-F

November Birthday Board

Hazel- 6th

Drake- 9th

Kids and Bees Expo: Hotel Mead on Nov. 3rd from 1-3pm

Lunch with the Princesses: Kristin's Riverwalk 1140 Clark St,
Stevens Point Saturday Nov 3, 2018 – 11:00 AM

Classroom News

Discoverer (6wks-1yr)

We can't believe that October is gone and November is here already! We are busy in our classroom getting ready for Thanksgiving! This week we read books, and worked with building blocks. Some of us practiced walking and rolling a ball.

Ms. Gerri

Explorer Classroom(1yr-2yr)

We had a spook-tacular time this week dressing up in costumes, making a Frankenstein foot print and fall wreaths. We also heard all about the bravery of Daniel in the Lion's Den and how God saved him!

Ms. Rhea

Inventors Classroom (2yr-3yr)

This week we started a new Bible lesson curriculum called One in Christ. I will continue to send home a similar take home devotion as I have been doing in the past. This week's lesson was about Joseph's family: Family Life. Next week we will be talking about Moses' Birth: Saving People. The children seemed to enjoy the costume parade this year! I posted a picture on our classroom picture board. We also used sponges and marbles during our art time this week!

October flew by and it's time once again to change some of the centers in our classroom and add another color to our ice cream cone (Brown). We now have corn and turkey pictures in our sensory table and will be adding more Thanksgiving items as the weeks go by.

I recently added colored shapes to our tables in the classroom. This will help with shape and color recognition. I will also be changing the name tags in the hallway to include the picture of each child and this will help with name recognition. When we come in from outside, we have the children find their cubby and help us take off their coats and hats and put them away.

Ms. Kellie
