Director news

We had a great first week in September! Please let me know if you are having trouble logging in to Procure. Make sure to take note of what the message says after you try to log in, because that will help me diagnose the problem.

The new sandbox built and donated by Chad Jensen (Ms. Kellie's husband) has been a huge hit on the playground! Lots of digging, building and sharing going on there._

Fall weather will be here soon. Please check your child's supply of extra clothes to make sure they are appropriate for the season.

Classroom News

Discoverer (6wks-1yr)

Congratulations to Henry for moving up to the Explorer Room! We look forward to watching you grow with new friends and experiences!

Thank you to everyone who donated extra clothes.

Ms. Gerri and Ms. Olivia

Explorer Classroom(1yr-2yr)

This week we learned about Bugs and Crickets!

We heard about God's beautiful creation in our Bible Story this week.

We are starting to use cots in our classroom with our older 1 year olds. Please provide a bag for your child's sleep items.

Thank you,

Ms. Rhea and Ms. Ashley

Inventors Classroom (2yr-3yr)

This week we are learning about "My Body" and how unique God made each of us! Check out our life size bodies displayed in the hallway! Next week we will be learning about our 5 Senses with nature! Our Bible story will be God Took Care of His People!

We are keeping extra clothes in the blue zipper bags in the hallway cubbies. If you see that your child's blue bag is getting low, please take home, fill and bring back.

We are also sending home rest time items on a weekly basis to be washed, please take your child's bag on the last day that they are in care for that week.

Reminder: Please bring in a family photo to hang on our Family Tree for the school year!

Thank you,

Ms. Kellie, Ms. Fiona and Ms. Stacey
