## Discoverers (6wks-1yr)

Valentine's Day is fast approaching and we are busy getting our room ready for the month of February. We are also working on our Valentine's for our Daddy's and Mommy's.

Ms. Gerri

## Explorers (1yr-2yr)

We are hearing about Noah's Ark in Bible Time this week! To go along with our story, we are learning about all the different animals and the sounds that they make. We made paper plate lions and muddy pigs in art. We also had fun hearing and saying the different animal sounds on our animal cube.

Ms. Rhea

## Inventors (2yr-3yr)

This week having the extension of the Dinosaur Book Fair, I thought a Dinosaur theme would be a great fit! We made shape dinosaurs with construction paper, we made cloud dough and used our dinosaurs to explore with the dough. At sensory time, we built a playdough volcano and watched it erupt ☺ We really had a fun time during circle time with a few new dinosaur songs.

February, the month to talk about Jesus' love for us! This is exactly what we did for our Bible Time this week! Mommy's and Daddy's wanted to bring their babies and children to see Jesus, but someone told them, STOP! Jesus told them to come to him and He gave them all hugs! Jesus loves each and every one of us!!

Next week's theme will be Valentine's Day (Hearts). We will have a little valentine's party on Wednesday, Feb. 13th. You are welcome to have your child bring in Valentine's for their friends if you would like.

Thank you,

Ms. Kellie
