Playground balls

Any arts/crafts materials

From the Discoverers (6wks-1yr):

This week we were busy working on our gross/fine motor skills. We also read Ten Wiggly, Wiggly Caterpillars, Buzz Bumble to the Rescue and Boo Hoo Moo. We listened to Jack's Big Music Show, sang Rolly Polly and Jesus Loves the Little Children. ***Have a wonderful Mother's Day, you deserve this special day!***

Ms. Olivia

www.stpaulswr.org

May 14-18

From the Explorers (1-2yrs):

This week we used our fine motor skills to put silk flowers in a colander. We also made a gift for our mommy's.

Happy Mother's Day to our special mommy's! We love you!

Story: Mother Goose Rymes

Bible Story: Zacchaeus

Songs: Zacchaeus Song

Reminders:

Please make sure to look over your child's daily sheet EVERY DAY!

Ms. Rhea

From the Inventors (2-3yrs):

We hope all the Mommy's have a wonderful Mother's Day!

This week was all about Flowers! We had paint with flowers at the easel, wash the fruits and vegetables in the water table and we explored with beans, flower petals and planting pots in the sensory table. During circle time, we added the Five Little Sunflower finger play, which the children seemed to enjoy! Our daily sheets will look different next week as I will be posting the weekly lesson plan outside our door above the bulletin board instead of writing it all out on the bottom of the sheets. If you

have questions regarding a certain activity, please ask. You will notice that Monday, Wednesday and Friday is our Centers Time. During center time, the children get to choose the easel activity, sensory table, light table, or any of the table activities for that week.

Ms. Amy has been in our classroom a few times this week getting to know the children and our room. We enjoy having her with us 😊

This is Ms. Pam's last month with us. She will be retiring at the end of the school year! She will be greatly missed by the children.

Ms. Kellie
