### Bible Lesson

**Joseph Forgives His Brothers** -In our lesson we learned that God had a plan for Joseph, and God has a plan for us. He took care of Joseph and he takes care of us! Joseph was able to help his family and many others because God placed him in Egypt at the right time. We can trust that God will do what is best for us and lead us to where we can serve him best and finally take us to our home in heaven someday.

## Our Week: Letter W

We started our Farm Unit this week. We had fun reading "Mrs. Wishy Washy," and "Mrs. Wishy Washy's Farm." We colored and read a take-home book about the animals on the farm and rolled a die which we matched to the sheep on our counting page. We also practiced our cutting skills and worked with size sequencing as we lined up our farm animals from smallest to largest. Some of us were able to act out the story by having some of our toy animals jump in the mud (paint) and then get washed in a tub of soapy water. I love hearing the kids get excited when they hear the letter sounds we are working on. They are pointing to the letters in words around our classroom and saying things like, "w-w-w-wagon!" or "I see our letter!"

The children have been very attentive during our Bible Lessons and are able to remember many facts about the life of Joseph and his brothers. They have been learning some actions to go along with our song for Sunday, "Seek Ye First." We would love to see all of you make it to the service to sing with us! We will meet at 10:15am in the kindergarten room and will sing right away at the start of the service. (10:30am).

Thank you to those who chaperoned for the Spookley performance. The kids were well behaved and fun was had by all!

God's Blessings on your weekend!
