Bible Lesson

God Gives His People Jericho -In our lesson we learned that God, in his grace, helps his people. We can thank God by obeying him and by giving him glory in what we do. We learned these words from Psalm 56:11 "In God I trust, I will not be afraid."

Our Week: Letter P

Our week centered around pumpkins and fall activities. We enjoyed our Clifford magazine about all the different kinds of pumpkins that are grown. We opened up our classroom pumpkins and helped pull out all of the gooey stuff inside. We picked out all of the seeds and Mrs. Proeber cooked them up for us so that we could eat them as part of our snack this week! We used our small acrylic pumpkin counters to "pick pumpkins" from our pumpkin patch as we rolled a die to see how many to pick at time. On Wednesday our chapel buddies helped us color some cards to be sent to Veterans in our area. We are having a special chapel service next week to honor them. The children are hearing the sound of /p/ in so many words this week! I love hearing them sound out the letters. On Friday we learned about a man who lived over 500 years ago. His name is Martin Luther. We heard how he helped people to hear the truth about God's plan for salvation - we are saved by grace, not by what we do or how much we give. What a blessing for us to know that Jesus has done it all for us!

Hope to see you all at conferences next week. If you have a conflict with the days, please let me know and we can work something out.

God's Blessings on your weekend!
