## Bible Lesson

*The Three Men in the Fiery Furnace* -In our lesson we learned that God want us to worship him only. We heard that Shadrach, Meshach, and Abednego were willing to die rather than worship a statue made of gold. We want to love God most of all and can ask God for help to worship and serve him only. We practiced these words again from Psalm 56:11 "In God I trust, I will not be afraid."

## Our Week: Letter R

We have been enjoying books by the author Eric Carle this month. You may have noticed some of our artwork in the hallway which was inspired by some of his stories. One of our favorites was "Papa Please Get the Moon for Me". It generated some great discussions about the phases of the moon.

Our small group centers this week focused on shape recognition and formation by using geo boards and rubber bands. We played a *Very Hungry Caterpillar* bingo game and strengthened our fine motor skills by "writing" in salt on flat trays. Our Thanksgiving placemats are ready for our dinner on Wednesday - or they will be sent home if you are not attending the feast.

Many of the children have been getting creative in our art area during choice time. They have been using cardboard and other materials to make castles and boats, and cutting fabric pieces to make clothing for our stuffed animals and puppets. I love to see their creative juices flowing!

God's Blessings on your weekend!
