Bible Lesson

John the Baptist is Born -In our lesson we learned that Zechariah was visited by the angel Gabriel who surprised him with the news that he and his wife Elizabeth would have a son. His name would be John. God planned that John would show people that they were sinners who needed a Savior. John was a worker for Jesus, just as God had planned. God also wants us to be his workers, telling others about the Savior.

Christmas Party: Thursday, Dec. 20th

We are having our party on the last Thursday before Christmas break. This will accommodate most of our 3 day students too! I will be looking for some treats for our snack and some help for our games that day. (@9:45am-11:15am) The children will not be exchanging gifts with each other, so no need to shop for that. We will enjoy special treats, play games and sing songs etc.

If you would like to volunteer to help out please let me know by the end of next week. 😊 Thank you!! (I am looking for plain cut-out sugar cookies that we can decorate).

Our Week: Letter C

We have been decorating our room and listening to Christmas music this week. We love to shake our jingle bells to keep time with the music!

During our small group centers this week we started working on a special gift for our parents and we created some great decorations for our room! We painted evergreen trees with forks - to look like pine needles, and painted paper plates and decorated them with sparkles and pom poms to create a big Christmas tree on our bulletin board. I love hearing the children talk about our letter of the week (C).

They enjoyed our "pocket" song in which they had to listen for the sound of /c/. I'm observing lots of great writing and drawing going on and have been challenging the children to write what they hear. It makes my heart happy to see them helping each other as they set up their rest cots and share the art supplies.

We are working on our songs and Bible passages that will be part of our Christmas Service next weekend. (14th) We plan to meet in our classroom by 6:00pm that night.

God's Blessings on your weekend!
