

3K & 4K Newsletter

Teacher/Director: Mrs. Carole Melso

Phone: 715-421-3634 Ext. 15

Preschool Classroom: Ext. 30

Email: littlelambs@stpaulswr.org

Next Week Snacks: (Feb. 10-14)

M- Jack, T-Charlotte, W-Cooper, Th-Party!, F-Henry

Please watch for the snack bag that will be sent home the day before your scheduled snack day. Provide a morning and afternoon snack. Thank you!

February 13th (Thur): Valentine's Day Party (2:15-3:15pm)- We are doing our party a day early to accommodate most of the children. There are 20 children in our class. An email and hard copy letter were sent home earlier this week about the details.

Thank you to everyone who is donating items for our party.

We have everything covered. 😊

February 20-21: NO SCHOOL - Teacher's Conference in Eau Claire. Please let us know if your child will need child care on those days so we can plan ahead.

March 6: NO SCHOOL - Teacher In-service day. Child care will be available.

March 23-27: SPRING BREAK - No school for PrK - 8th grade. Child care will be open. Please let us know ASAP if you will need care on those days.

Bible Lesson

Jesus Calms the Storm -In our lesson we learned that Jesus showed that he is God's Son when he used his almighty power to calm the storm. We can be confident that the Lord is our source of help and pray to him in times of trouble.

"Call upon me in the day of trouble. I will deliver you."

Psalm 50:15

Our Week: Letter Y

This was the last week of our Pet Unit. We have been enjoying the stuffed animals and pet care items. We also had fun with the *Littlest Pet Shop* toys. I love seeing the children use their imaginations as they create pretend scenarios with the props.

During our small group centers we practiced putting pictures in the correct sequence to tell a story. Some were quite challenging! We also worked on "subtraction" as we rolled a die and removed that many snowballs from our mitten chart. Some of the groups had time to play a second time and add the snowballs back! We practiced positional words as we completed a "Puppy" book - we brought those home for you to see.

Our classroom writing center has blank cards, valentine stampers, stickers and fancy heart pencils just begging for creativity! The sensory table is full of different kinds of

magnets and magnetic items to explore. We added some new items to our science area that have been a big hit. Some liquid motion bubble timers and Pop-n fun tubes, along with some squishy balls - great for fine motor development.

God's Blessings on your Weekend!
Mrs. Melso
