### **Bible Lesson**

***Jesus Rides Into Jerusalem*** -In our lesson we heard how the people in Jerusalem shouted praises to Jesus as he entered the city riding on a donkey. Hosanna! We believe that Jesus deserves our praise as our Savior and King. We can use our songs, words, and actions to praise Jesus for his saving love.

### **Our Week:** Letter X

The children are still enjoying our Solar System unit of study. We have been able to incorporate so many fun learning activities! We painted some great planet pictures using old markers that we

dipped in water - it looked like lovely water color paints! We practiced our fine motor skills as we formed shapes, letters and numbers using a new product we call *Builders and Benders*. The children cut out 8 planet pictures and placed them on their own "planet poster" in the correct order. We could hear lots of singing as they sang the planet song to help them remember the order. Decorating our own mini space shuttle complete with a pilot was a favorite activity of many. We even took them to the gym for a test flight.

Please check your child's extra clothes supply at school. It is spring and it can get messy and wet outside. We have been using some of the extra clothes lately!

God's Blessings on your Weekend!
