### Bible Lesson

**Mary and Martha** -In our lessons we learned that Jesus wants us to put hearing and learning his Word first in our lives. When we listen to words from the Bible, we hear the words of Jesus just as Mary did when Jesus spoke in her home. We can ask God to help us hear and learn his Word and to keep us from being distracted by other activities.

### Our Week: Letter Review

It has been a fun week learning about our solar system and singing about the planets. One of our favorite spots has been our space station. The children are honing their social skills as they share ideas and cooperate in their planning. Our small group centers included creating star/moon pictures using star shaped cookie cutters and stickers. We also cracked open our (foil) "moon rocks" to find

different letters hiding inside. We had to find those letters on our letter chart. We had a planet race as we rolled a die and marked each planet on our graph to see which one the astronauts flew to first.

We sang our church song, "Let Me Learn of Jesus" for chapel on Wednesday. The kids did a great job, and we are looking forward to Sunday when we can share it again!

God's Blessings on your Weekend!
