COVID Update

The Board of Christian Education decided that the school will continue to practice our social distancing and masking procedures through the end of this school year. We have been blessed to not have had any significant issues with COVID-19 at school this year. We want to do all we can to be sure it continues until the end of the school year. We are so close to the finish line. Please continue to pray for the health and safety of our students, staff, and families.

Time to Enroll / Re-enroll for next School Year

Families planning to re-enroll for the 2021-22 school year are asked to do so online. The online applications for both K-8 and preschool can be found on the school website: StPaulsWR.org/school or use the links below. The application for enrollment lets us know your intentions for next year. This helps us in the early planning we do for next school year. Additional information will be asked of you later in the summer.
