Dismissal after Good Friday Church Service

Students sing for the Good Friday church service which starts at 12:10. Students will sit with their class for the service. After the service, the students will be taken to the classrooms and then excused as they normally are on a school day. In other words, you will pick up your child in the parking lot. Teachers will be outside to make sure children get to cars safely.

Summer Camps at Northland Lutheran High School

Northland Lutheran High School is offering summer camps for basketball, volleyball, softball, and soccer. They are also offering a STEM camp for those interested in exploring, building, and doing experiments in science, technology, engineering, and math. Sports camps are for grades 4-9 with the exception of soccer for grades 6-9. STEM camp is for grades 3-8. Cost for each camp is \$25. An informational flyer was attached to this newsletter. Paper copies are available in the school office.

Time to Enroll / Re-enroll for next School Year

Families planning to re-enroll for the 2022-23 school year are asked to do so online. The online applications for both K-8 and preschool can be found on the school website: StPaulsWR.org/school or use the links below. The application for enrollment lets us know your intentions for next year. This helps us in the early planning we do for next school year. Additional information will be asked of you later in the summer.
