Time to Enroll / Re-enroll for next School Year

Families planning to re-enroll for the 2022-23 school year are asked to do so online. The online applications for both K-8 and preschool can be found on the school website: StPaulsWR.org/school or use the links below. The application for enrollment lets us know your intentions for next year. This helps us in the early planning we do for next school year. Additional information will be asked of you later in the summer.
