### Baby Bottle Campaign to Support First Choice Pregnancy Center

After Easter, students will have an opportunity to support a faith-based ministry in Wisconsin Rapids that provides encouragement, resources, and support for women and families experiencing an untimely pregnancy at no cost. You have the power to save and change lives by helping your child donate to the center and participate in a class competition to raise the most money as a class. The winning class will receive an ice cream party at the end of the year! We will pool all the donations together to purchase baby items such as a crib and a diaper bag for a family in need. On April 23<sup>rd</sup>, students will receive a plastic Ziploc bag with a paper bottle die cut on it that can be used to save coins, currency, or checks and return to school periodically until May 17<sup>th</sup>. Class totals will be counted weekly to register progress in the class competition. This fundraiser is in conjunction with a congregational fundraiser beginning on Mother's Day and ending by Father's Day where participants will receive an actual baby bottle to keep track of their donations. Look for more information about both fundraisers in the coming weeks!

### Easter Service Invitations
