Summer Camps at Northland Lutheran High School

Northland Lutheran High School is offering summer camps for basketball, volleyball, softball, and soccer. They are also offering a STEM camp for those interested in exploring, building, and doing experiments in science, technology, engineering, and math. Sports camps are for grades 4-9 with the exception of soccer for grades 6-9. STEM camp is for grades 3-8. The grades listed refer to the grade a child will be in next school year. Cost for each camp is \$25. An informational flyer was attached to this newsletter. Paper copies are available in the school office.

Northland Baseball and Softball at Port Edwards – April 28

The Northland Lutheran High School boy's baseball and girl's softball teams will be playing at Port Edwards on Friday, April 28. Both games start at 4:30. The boys will play on Palen Field and the girls at Ripple Creek Park. Here's your chance to watch the Northland Wildcats in our own backyard.

Call Activity

Mr. Andrew Van Weele has returned his call to St. Paul's. We will suspend calling for a principal until October. The Leadership Council is recommending that we request a graduate from Martin Luther College to fill the vacancy in the 1st and 2nd grade classroom. Call day at MLC is May 20.

Chapel Offering: *Mi Amigo Jesus*

This year's offering will support home mission congregations that want to begin or expand outreach efforts to their Hispanic families and communities with toddler/early childhood social interactive programs, such as Mornings with Mommy. While such programs foster friendships, communication skills, and child development, our mission congregations can do so much more when integrating the love of Jesus and truths based on God's Word.
