Bring in Your Coke Codes by the End of June

Coca-Cola Give is "under construction and being reimaged!" Please donate your Coca Cola product codes by June 30. After that, we are unsure whether the program will continue. Product codes can be found under bottle caps and inside fridge packs. The codes translate into cash for our school. Thank you for your donations!

Chapel Offering: *Mi Amigo Jesus*

This year's offering will support home mission congregations that want to begin or expand outreach efforts to their Hispanic families and communities with toddler/early childhood social interactive programs, such as Mornings with Mommy. While such programs foster friendships, communication skills, and child development, our mission congregations can do so much more when integrating the love of Jesus and truths based on God's Word.
