#### Thinkwave

If you are the parent of a first time student in grades 1-8, you should have received an email with instructions on how to log onto and use Thinkwave to check your child's academic progress. If you did not receive that email, please let Mr. Quint or Mr. Melso know. If you used Thinkwave in the past, you should go to **Thinkwave.com** to make sure your login credentials still work. Let Mr. Quint or Mr. Melso know if you need any help. [Preschool and kindergarten do not use Thinkwave.]

#### Field Trips to Eron Farm
