ClassTag

Teachers are making use of ClassTag to communicate to families with children in their classroom. Be sure to check ClassTag daily for messages. If you have not received a message, be sure to contact your child's teacher. Mr. Melso will send out the weekly School Newsletter using ClassTag.

Parent Orientation Video

If you were unable to attend the Parent Orientation meeting on Aug. 18, the video recording of Mr. Melso's presentation can be accessed at www.stpwr.weebly.com. The audio is not great, but the PowerPoint slides should be helpful.

Boys Soccer Team

We have 10 athletes signed up for soccer. Mr. Jesse Sautner has volunteered to help coach. Mr. Melso will be the other coach. Due to Mr. Melso's duties as teacher and principal, he can only commit one day a week for practices. Soccer practices will be after school until 5PM on Wednesdays. The first practice will be on September 7. A complete schedule will be provided to players. If another coach volunteers, we can add Monday practices, but for now we are limited to one practice a week. If your 3rd through 8th grade son would still like to sign up it is not too late. Let Mr. Melso know.

School Family Campout

A sign up is attached to the Newsletter. If you plan to attend the campout at Lake Dexter on September 16-18 either as a camper or daytime visitor, please sign up using the link. Click the link for additional information as well. [\[Lake Dexter Signup\]](#)

Library

Students will begin using the school library next week, September 1. If you are interested in helping out as a library aide, please let Mr. Melso know. We need library help specifically on Thursday afternoons, but if you can help on other days, please let us know.

Chapel Offering: *Mi Amigo Jesus*

This offering will support home mission congregations that want to begin or expand outreach efforts to their Hispanic families and communities with toddler/early childhood social interactive programs, such as Mornings with Mommy. While such programs foster friendships, communication skills, and child development, our mission congregations can do so much more when integrating the love of Jesus and truths based on God's Word.
