### The Jesse Tree Advent Devotions

The staff and students at Martin Luther College are providing free copies of Advent devotions called *The Jesse Tree*. Similar to an Advent calendar, the booklet contains 25 devotions accompanied by 25 ornaments you can hang on your Christmas tree or on a "Jesse tree" of your own making. Children's stories and printable ornaments that go with each devotion are available for family use. Copies of the devotion book are available in the church office. You can find all available resources including those for children online at <https://mlc-wels.edu/publications/seasonal-devotions/>

### Sickness Policy

Just a reminder that our sickness policy states that students must be symptom free for 24 hours before returning to school. We've been able to prevent any virus outbreaks so far. Let's remain vigilant so it continues to go as well.

### Chapel Offering: *St. Paul's Lutheran Church, Adams-Friendship*

The offerings for the second, third, and fourth quarters will be going to St. Paul's Lutheran Church which serves the cities of Adams and Friendship. St. Paul's recently dedicated a new church building. Our offerings will go towards a new audio/video system to be used for conducting and recording church services.
