Enrollment Opens Next Week

In connection with Christian Education Sunday, we're excited to announce that enrollment for the 2024-25 school year is opening this coming week. Enrollment this year will be done online through EnrollMe, the enrollment tool for our new student information system, Gradelink. This online program will help gather and organize all essential information on our students. But here's what we want you to know: If you or someone you know is interested in attending St. Paul's next year, great! Please contact us at registrar@stpaulswr.org or call the school office at (715) 421-3634. If you are already part of our school family, you will receive a packet of information on how to enroll or re-enroll your student(s) next week.
