Foundations of the Christian Faith

Are you interested in getting back to church or learning the basics of Christianity as taught in the Bible, which is just what St. Paul's believes and teaches? Then, mark your calendars for **Foundations of the Christian Faith**. This 12-lesson Bible information class examines our divine relationship broken and restored, our vertical relationship with God, and our horizontal relationship with each other. Along with the lessons themselves, the class materials also include a handy index of key religious terms, Luther's Small Catechism, and a robust appendix with articles covering topics from ancient Bible manuscripts to differences between modern churches. The class will take place during four Saturday morning sessions which will each cover multiple lessons. Sessions will be from 8:30am-12:30pm on January 21, February 4, February 18, and March 4. Free childcare and lunch will be provided. Register [HERE](#) for Foundations of the Christian Faith!

Keep Scanning Receipts

Our school recently received a check for \$49.10 from the Box Tops for Education program. Thank you to everyone who has been scanning their grocery receipts to earn this money. The funds will be used to pay for busing for field trips. To learn more about the Box Tops for Education program and to download their app, visit www.boxtops4education.com.
