Child Social Media and Internet Safety Presentation - March 17

On *Friday, March 17 starting at 6:30PM*, St. Paul's will be hosting a presentation by Dept. of Criminal Investigation Special Agent Jason Christenson and Waushara County Sheriff Office Investigator Brandon Rasmussen. Jason has a daughter that attends St. Paul's and two daughters who graduated from St. Paul's. Jason coached our A basketball team this year. *The presentation will include safe practices for internet and social media safety for kids, good methods and ideas to install in the home for your children with access to internet and or cell phones, and finally, issues to look out for and problems to be aware of involving children and internet use.* The presentation will go until about 8PM after which Jason and Brandon will answer questions for as much time is needed to answer them. Of course, you are welcome to leave at any time. Childcare will be available. **OUR GOAL IS TO GET AT LEAST ONE PARENT FROM EVERY FAMILY IN ATTENDANCE.** Social media and use of technology will be or is already a part of children's lives. The presentation will provide knowledge and tools to keep children safe.

This event is for kids ages 3-10 years old, but babysitting available for younger children. The entire family is invited to stay for lunch after the program. Chapel Offering: *Mi Amigo Jesus*

This year's offering will support home mission congregations that want to begin or expand outreach efforts to their Hispanic families and communities with toddler/early childhood social interactive programs, such as Mornings with Mommy. While such programs foster friendships, communication skills, and child development, our mission congregations can do so much more when integrating the love of Jesus and truths based on God's Word.
