### Bible Lesson

**The Coming of the Holy Spirit:** We heard how some miracles happened show that God the Holy Spirit had come to the disciples. The Holy Spirit works faith in our hearts when we hear God's Word. That is what we love about Little Lambs' and St. Paul's Lutheran School- we can hear God's Word every day!

### Our Week

We had a fun week learning more about building and construction. We focused on the story of "The Three Little Pigs" this week. We heard different versions of the story and decided what was different or the same in each one. We created some cute wolf and piggie crafts for our bulletin board, and you can check out our 3 different houses (straw, sticks, bricks) in the hallway, which we used to talk about ordinal numbers - first, second, third, etc.

It was also a busy week getting our gifts and cards finished for our wonderful mothers for Mother's Day on Sunday! We are also practicing our song for the graduation service. (May 30<sup>th</sup>)

We created special headbands with our chapel buddies this week. The flame and passages remind us that our faith grows when we hear the Word of God.

We worked on our counting and number writing skills during one of our small group centers in which we scouted out the classroom looking for how many doors, windows, tables, teachers, etc. we could find.

We are working on showing kindness to others and using our words to resolve our conflicts.

God's Blessings on your weekend!
