The Jesse Tree Advent Devotions

The staff and students at Martin Luther College are providing free copies of Advent devotions called *The Jesse Tree*. Similar to an Advent calendar, the booklet contains 25 devotions accompanied by 25 ornaments you can hang on your Christmas tree or on a "Jesse tree" of your own making. Children's stories and printable ornaments that go with each devotion are available for family use. [Note that the children's stories will not be available until 11/23] Copies of the devotion book are available in the church office. You can find all available resources including those for children online at <https://mlc-wels.edu/publications/seasonal-devotions/>

New Box Tops for Education Program

In the past many of you were in the habit of clipping box tops and sending them to school to help earn money. Box tops are no longer collected since the program went electronic. Please check out the attachment sent with this newsletter to learn how you can use the electronic version of the Box Tops for Education program. In the past it has helped defray the cost of field trips.

Children's Christmas Service Will Be Pre-Recorded

Due to Covid-19, this year's Children's Christmas Service will not be a live service. The service will be pre-recorded. Originally the service was scheduled for December 19. The recording will be made available to the public on December 24.

Sickness Policy

Just a reminder that our sickness policy states that students must be symptom free for 24 hours before returning to school. We've been able to prevent any virus outbreaks so far. Let's remain vigilant so it continues to go as well.

Chapel Offering: St. Paul's Lutheran Church, Adams-Friendship

The offerings for the second, third, and fourth quarters will be going to St. Paul's Lutheran Church which serves the cities of Adams and Friendship. St. Paul's recently dedicated a new church building. Our offerings will go towards a new audio/video system to be used for conducting and recording church services.

Wednesday Chapel Service 8:55AM

Guest speakers from Northland Lutheran High School and Luther Preparatory School (LPS) will be conducting our first two chapel services in December. Northland is an area Lutheran High School that provides Christian education for students in central Wisconsin. LPS serves the entire Wisconsin Synod as a college prep high school for students considering the preaching and teaching ministries. LPS is located in Watertown, Wisconsin and provides on campus housing for students.
