Thank You!

I want to share a heartfelt thank you for a wonderful first week of school. I have been so impressed with our students and their overall attitude. Our teachers worked so hard to get everything ready this summer, and I have been amazed at the team God has given us at St. Paul's. I want to also thank you for being so welcoming this first week. I am sure it has been difficult seeing so many new faces on the staff as well as some changes for the school year. Y'all have helped me and our entire staff feel so supported this first week. At the end of the day, each one of us is in this for the kids that are sitting in those desks. Everything we do, every change we make, every decision that comes before us has the heart of those kids at this school in mind. May God bless our year.

Volleyball Help Needed

We are in need of an additional assistant coach as well as line judges for our home games! If you are interested in helping, please speak with or message Mr. Biesterfeld.

Background Check and Photo Authorization Information

You will see an email from me early next week regarding these items. I apologize for the delay, we want to make the right decision on a background check company, not just a quick one.
