Thinkwave

If you are the parent of a first time student in grades 1-8, you should have received an email with instructions on how to log onto and use Thinkwave to check your child's academic progress. If you did not receive that email, please let Mr. Quint or Mr. Melso know. If you used Thinkwave in the past, you should go to **Thinkwave.com** to make sure your login credentials still work. Let Mr. Quint or Mr. Melso know if you need any help. Thank you to those who have already contacted us. [Preschool and kindergarten do not use Thinkwave.]

Masks for Students

We sent home some free masks this week for your child(ren). If you are in need of additional masks, we have plenty more to give away. Just request them from Mr. Melso or your child's teacher. We've noticed some students reusing the same mask for multiple days. It is recommended that children wear a clean mask each day. Please make use of our free masks if you need them.

Library Help

Students will begin using the school library next week. Due to the coronavirus, some of our library volunteers are not able to help out. If you are interested in helping out as a library aide, please let Mr. Melso know. We need library help specifically on Thursday afternoons, but if you can help on other days, please let us know.

Chapel Offering: *Soles for Jesus*

Soles for Jesus is a Christian organization with the mission to share the love of Christ by distributing shoes to the underserved in Africa. The weekly offering we collect will be used to cover the cost of shipping. We are collecting lightly worn or new shoes. Collection boxes for shoes can be found in the cafeteria commons and the church welcome center.

Wednesday Chapel Service 8:55AM

THEME: Real Repentance Leads to Joyful Obedience

SPEAKER: Mr. Melso

September 5, 2020
