### **Be Aware: Chicken Pox**

Although we have had no instances of chicken pox at St. Paul's this year, there is a chance of exposure at the volleyball games this Saturday. Known cases of chicken pox have occurred at Northland Lutheran High School. Although the chances are remote, it is possible your child could be exposed at the B Team volleyball tournament in Medford.

### **Monday is Green and White Day**

Monday is our girls' volleyball team's last home game. We will show our school spirit that day by wearing our green and white school colors. We also hope you will attend the game to cheer for our team. There will be one game which starts at 4:30. Concessions will be available.

### **Sunday Open Forum**

An Open Forum is scheduled between services on Sunday to discuss the needs of the congregation and the ministry focus of a second pastor. Calling of a second pastor will resume this fall. Childcare and Sunday School for children will still be available.

### **Picture Day**

School picture day is scheduled for Thursday, October 10. We will include reminders in the newsletter, but if you would like Inter State Studio to provide you with email reminders of the date and other information, you can sign up at <https://inter-state.com/kiosk>.
