### Library

Students in lower grades checked out books this week from the library. The books are due by next week Thursday. They will not be allowed to check out new books until the old ones have been returned. They may recheck out a book if they need a longer time to read it.

### Chapel Offering: *Mi Amigo Jesus*

This year's offering will support home mission congregations that want to begin or expand outreach efforts to their Hispanic families and communities with toddler/early childhood social interactive programs, such as Mornings with Mommy. While such programs foster friendships, communication skills, and child development, our mission congregations can do so much more when integrating the love of Jesus and truths based on God's Word.
