Come, Cheer On Our Panthers

Since our last update, the girls' volleyball team has duplicated their one and two record and have reached the halfway point of the season. On September 14th, the Panthers were involved in a triangular over in Marshfield. After losing the opener to Trinity the girls rebounded to pick up a win against Immanuel, Medford.

Thursday it was up to Wausau, where both the A and B teams lost a couple of closely contested games to Our Savior's. Next week will find our squad back on the home court for two matches. They will entertain Trinity on Tuesday the 26th and St. Peter's on the 28th. Game time for both contests is set for 4:30 pm, so come on out and cheer on your Panthers!

Let the School Recycle Your Ink Cartridges

Our school collects used ink and toner cartridges for recycling. The service we use pays us a couple of dollars for each cartridge. This money helps fund busing for school trips. A drop off box is located on the Lost & Found Table in the school hallway.
