Singing in Church

Students in PreK through Grade 2 will sing in church on Sunday, October 8 in the 8AM church service. Please have students in their classrooms by 7:45AM that morning.

What If Something Happens to You?

Most people know they need a will for the sake of their families, but maybe you just haven't gotten around to making one yet. Start the process at the free Wills and Estate Planning Seminar this Monday, Oct. 2. Pastor Jon Kehren, a WELS Giving Counselor, will help answer your questions. Plus you will have an opportunity to schedule a private consultation with free assistance on planning your will. Two sessions will be held – at 3:00 and 6:30 PM – in the cafeteria.

Help Raise Funds for School Projects

Every fall, one of St. Paul's church groups puts on a Craft & Bake Sale the first weekend in November to raise funds for special projects around our church and school. This year, the proceeds will go toward purchasing a portable mic system, ad-free ClassTag for the next school year, and funds for new preschool playground equipment.

Consider donating something you've made, canned or baked to the sale. There are also opportunities to come and help make the pies, soups, and lasagna that are sold every year, and help is needed for set up and take down of the sale. Not sure if you're able to donate or help, but like to eat? Please attend the sale on November 4-5.

Check out our ClassTag activities page for opportunities to volunteer and for additional updates on the sale.

Home Volleyball Wrap

The lady Panthers wrapped up the home version of the volleyball season this past week as both the A and B teams were in action. On Tuesday it was Trinity, Marshfield in for a visit, while on Thursday St. Peter's of Schofield came to town. The crowds were enthusiastic and a number of games went both ways in most of the matches. As we wrap up this portion of the season we'd like to give a big shout out to all of our volunteers for making this another great season. Special thanks to Mrs. Provost and Mrs. Sellnow for coaching, to Mr. Ferkey for being our ref, and to Mrs. Schroeder and Mr. Verjinsky for their donations and work in the concession stand!

Volunteer to Help with Classroom Cleaning

We could still use more help on Wednesdays and Fridays. Please [sign up here](#) if you're able to help keep our classrooms clean.
