### How does the SCRIP program work??

SCRIP works very similar to buying and using gift cards from local retailers and restaurants. You purchase the gift cards through St. Paul's SCRIP program – give them as gifts or use them yourself. St. Paul's Church and School will receive a discount (% donation) when the SCRIP is purchased. Each retailer sets the percentage that it wishes to donate through the program. For example, if you buy a SCRIP gift card for Pizza Hut, that company will donate 8% of that purchase back to St. Paul's. You may select to have 50% of your rebate delegated to various accounts: student assistance, preschool/tuition or prepay (to be used for tuition at a later date)

Example: Profit from Arby's is 8%, 4% of that purchase goes to your choice of accounts above and the remaining 4% goes toward the current need determined by St. Paul's.

There are many options to purchase Scrip cards:

- Complete both sides of this order form and place it, along with payment, in St. Paul's Scrip box in Welcome Center.
- Order online at <https://www.raiseright.com> and place your printed order, along with payment, in St. Paul's Scrip box in Welcome Center. **Online Enrollment Code: F39CB33F12591**
- Order AND pay online at online at <https://www.raiseright.com>.
- Purchase directly from the St. Paul's SCRIP table Sunday mornings or from the church during office hours only.
- You may obtain a printable list of national Scrip retailers at <https://www.raiseright.com> by clicking on "Resources" on the bottom of the home page and select Brand List. You may order anything from the brand list by writing it on this order form.

Orders for physical cards are placed the first and third Sunday of each month with typical delivery the following Wednesday or Thursday.

**If you have not completed a Scrip Agreement form, please request one in the office and leave with office staff or in the scrip box**
