## From the Discoverers (6wks-1yr):

This week we heard how Jesus shows himself to his friends during Jesus time and we sang Jesus Loves Me! During story time we listened to the book, I Love You and practiced listening and saying "Ma" sounds. We enjoyed the shaving cream in a bag activity and taking puff balls out of ice cube trays!

April 29-May 3

### From the Explorers (1-2yrs):

We had a bright week learning our colors, making tie dye coffee filter butterflies and learning to use markers. We also read about God's Colorful World!

Ms. Rhea

### From the Inventors (2-3yrs):

This week we focused on Caterpillars/Butterflies. We talked about the Life Cycle of a Butterfly and how God made the caterpillars to change into beautiful butterflies. During the week we were able to work on matching the puzzle numbers

1-4 with the correct number on the butterflies. We also were able to paint butterflies on our easel and play with butterflies in the sensory table. Our train table was transformed into a flower/garden area with garden gloves, watering cans and flowers.

Story Time: The Very Hungry Caterpillar

Songs: *I'm Bringing Home a Baby Bumblebee*

Bible Story: *Jesus Lives!*

### Month of May:

\*Themes: Bugs/Insects, Flowers/Gardening, Camping, Summer

\*We would like to take a "walking field trip" to Dairy Treat. More information will be sent out soon.
