From the Director:

We are busy with preparations for the school year. Please be patient in the following weeks as we transition into a new routine. My office hours during the school year will be from 1:00pm-2:00pm and from 3:30pm-4:30pm M-F.

Reminders:

- Schedules are due Wednesdays by 6pm. Reductions in hours are not accepted after Thursday by noon of the week before.
- School starts August 26th.

Discoverers (6wks-1year):

Reminders:

- Please make sure to look over your child's daily sheet EVERY DAY! Check out the great artwork on the bulletin board and door! - Thank you Ms. Marcia. 😊

Explorers Room (1 year-2 year):

Hello Everyone,

My name is Melissa Johnson. I am the new Lead Teacher in the Explorer Room. I am very excited to be a member at Saint Paul's Little Lambs, and excited to teach new things, helping the kids grow and most of all having fun doing it. School has arrived Yay! This week we'll start the school year off with our friend, Pete the Cat. We will be learning and creating things inspired by Pete. From songs, "The Wheels on the Bus" to Pete's Surprise New Teacher. Parents if you have any questions or concerns please reach out to me at any time. I am looking forward to this school year and what's to come.

Ms. Melissa

Inventors (2-3 year):

We are very excited for a new school year with lots of learning and fun. We will be posting our themes along with the colors that we will be learning throughout the year. We will also be posting our daily schedule. Those of you who were not at the orientation/refresher night, we will be changing how we do snack in our classroom. We would like to have a daily shared snack, so that every child has the same snack. To do this, we are asking that parents bring in some snacks at the beginning of each month to be shared. We have about 10 children and 2 snacks each day, so if you would provide enough snacks for 2 days worth that would be great! so please ask if you have any questions and we will also keep you posted as how it is going.

Thank you,
Amy and Kellie

B/A School Care:

Children using before school care will meet in the Inventor's Room. Another staff member will take the children over to the Family Room (located near the offices) by 8:00am. The children will then be escorted to the classrooms by 8:30am. Please check your child in at the computer. Mrs. Melso will check the children out at 8:30am.

Children using after school care will be meeting in the Family Room after school. (3:30pm) A staff member will escort the children to that room. At 4:30pm any children still in attendance will be combined with the children in the Inventor's room. Mrs. Melso will check your child in at 3:30pm. You will check your child out when you pick them up. Thank you!

God's blessings on another wonderful school year!
