Announcements

There is a bulletin board in the hallway located above the lost and found table that has a wish list for the teachers. If you are interested in donating an item, please feel free to take the shape off the board.

Thank you.

Classroom News

Discoverer (6wks-1yr)

We are putting our final touches on our gifts. We are learning and enjoying songs to Row Row Row your Boats, Make a Pancake, and Roly Poly.

Ms. Gerri

Explorer Classroom(1yr-2yr)

We worked on our fine motor skills this week feeding rudolph pipe cleaner pellets and making santa and reindeer hand/foot prints. We learned to sing "Go tell it on the Mountain-that Jesus Christ is Born!"

Ms. Rhea

Inventors Classroom (2yr-3yr)

This week at Bible time, was exciting! We got to hear about the true meaning of Christmas! Next week we will hear about two people who waited to see Jesus, Simeon and Anna.

We also focused on Penguins! We walked like penguins and we talked about how they like cold weather. We were able to get outside and play in the snow ourselves. We went sledding, threw snowballs "at the fence" and made snow angels. We also practiced writing our names and drawing pictures in shaving cream.

Christmas is right around the corner and so our theme for next week is All About Christmas!

We will continue to go outside a couple times during the week next week as long as the weather is above 20 degrees. Please have all winter items here next week! Thank you.

Ms. Kellie
