From the Director

Hello,

Scholastic Book orders are due on November 16th. If you need stocking stuffers or great gift ideas, please shop at scholastic.com/bookclubs and use code NVHPM to get great books!

Babies and children need lots of sleep. In fact, by their second birthday, a well-rested child has been asleep more hours than awake.

According to the American Academy of Pediatrics, your child should sleep:

* 12 to 16 hours per day (including naps) between ages 4 months and 12 months

* 11 to 14 hours per day (including naps) between ages 1 and 2

Classroom News

Discoverer (6wks-1yr)

We are starting to make our Christmas gifts for our Daddy's and Mommy's this week! Christmas is right around the corner and we would like to play Christmas music in our classroom. If anyone has music that we can use for December, please bring it in to our classroom.

Thank you,
Ms. Gerri

Explorer Classroom(1yr-2yr)

This week has been a blast jumping in fall leaves, doing leaf paintings and learning about Moses!

Ms. Rhea

Inventors Classroom (2yr-3yr)

This week we had baby Moses visit our classroom as we learned about him at Bible Time. Our story of Moses worked in well with our theme, Our Family! We sang the song, My Family with daddy, mommy, brother, sister and baby finger puppets. We also read One Family by George Shannon. This week we introduced weather on our circle time board. I ask, "What is the weather like outside today"? They all go over to the window and we talk about what they see and then we go back to circle time and we put up the correct picture.

Our Bible story next week is Crossing the Red Sea: People Thank and Praise God. Our theme next week is all about Turkeys!

Reminders: We will continue to go outside for our recess time, please provide the appropriate clothing as colder weather and snow will be approaching us quickly.

Thank you,
Ms. Kellie
