Weekly Newsletter

From the Director

Dear Parents-Happy Fall!

We consider it a privilege to care for your precious children and we want to make sure we are using the best practices for learning and development.

Recently several of our staff members attended a training entitled, Developmentally Appropriate Environments. We learned about curriculum and environments as they pertained to developmentally appropriate practices for every age group. Let us know how we are doing!

God's Blessings on you weekend,

Mrs. Melso

October Birthday Board

Bryce -9th

Henry-9th

Matthew-18th

Camden-18th

Nora-21st

Reminders

*There will be no school on October 25th and 26th. Please provide a lunch for your child on these days if they will be at Little Lambs.

Family Opportunities:

Down on the Farm is now open!

Home Depot October Kids Workshop-October 6 between 9:00-12:00 Register at homedepot.com/workshops

Classroom News

Discoverer (6wks-1yr)

We have been busy making mummy feet and ghost feet for our classroom decorations!

We have also been using our classroom balls and big blocks to enhance our large as well as fine motor skills.

Music is so important for infants to listen to and they are enjoying the sounds and rhythms!

Explorer Classroom(1yr-2yr)

We have been busy learning about Pumpkins this week! Fall is a great season to explore and enjoy what God has given us. Pumpkins are an example of this! Our bible story this week was about Jericho.

Next week we are learning about spiders and bats! We will be working a lot with different types of motor activities.

Ms. Rhea

Inventors Classroom (2yr-3yr)

This week we learned about Fire Safety! We enjoyed the Hurry, Hurry, Drive the Fire Truck song and getting into the big cardboard "firetruck" and singing our song. Our sensory table has new items for the month of October! Next week we will be exploring with apples. God made apples unique with different sizes and colors. There is also something cool inside an apple☺

Donations: If anyone has plastic grocery bags lying around, we can use them in our classroom! We are also looking for clear plastic containers with lids (all sizes). We would like to have organized containers in cupboards to make toy rotation easier.

Reminders: We are starting to put together the portfolios! Please send a 1" 3 ring binder soon!

The family photos are coming in. Thank you for taking the time to bring in a family photo. The children love looking at them as well as talking with their friends about the photos.

Thank you,

Ms. Kellie
