# Classroom News

## Discoverer (6wks-1yr)

We will be sending home the summer clothes and would like to exchange them for fall clothes. We are busy getting the room ready for October!

This week we played with different size, texture and color balls. We explored with big foam blocks and we always like to bounce in our bouncing chairs

Ms. Gerri

## Explorer Classroom(1yr-2yr)

Our theme this week is all about colors! We see colors everywhere we look. God has created so many colors for us to enjoy. We already are seeing the trees change colors outside!

Our bible story this week was about baby Moses and how Moses' mother saved him from Pharaoh by putting him in a basket in the river.

Next week our theme will be all about Pumpkins

Ms. Rhea

## Inventors Classroom (2yr-3yr)

This was our last week for All About Me and the color blue! Next week we will be adding new colors(orange and black) to our ice cream cone and entering a brand new monthly theme!

We will be learning about Autumn! This will include, fire safety, apples, nature, and Halloween (Reformation Day).

We continued to talk about creation for Bible Time. We are focusing on the sky! I will be sending home a Bible Time letter each week with our Bible verse, song, and prayer. Feel free to use this as devotion at night.

**Reminder:** Thank you to all that have brought in a family photo for our classroom! The children enjoy pointing and looking at their family during the day. Feel free to send the family photo to [littlelambs@stpaulswr.org](mailto:littlelambs@stpaulswr.org)

Please check the blue zipper bags at the bottom of your child's locker for what they have for extra clothes. Please feel free to take the bag home to refill as needed.
