Weekly Newsletter

From the Director

Just a reminder about bringing in medication for your child: Your child's teacher will have you fill out a form indicating the dosage and timing for the medication. This will need to be signed by the parent or guardian.

Changes are coming for each of our child care classrooms as some of our Little Lambs move up to the next room. Please don't be afraid to talk with your child's new teacher and get to know their routine.

Information about our 3K & 4K program for the 2019-2020 school year will be coming soon. Your child must be three years old by Sept. 1st to be eligible for the class.

God's Blessings on your weekend!

My office hours during the school year:
12:45pm-2:15pm and from
3:30pm-4:30pm M-F

January Birthday's

Cayden J.- 14th

Coy J. -18th

Kaydence J. -18th

Lydia T. -23rd

Joel R. -24th

Violet K. -25th

Reminders

***For billing purposes, Please indicate either on the memo line on the check or on the envelope which account the money should be used (hot lunch, Little Lambs, preschool)**

Announcements

***Book Fair:** January 25-February 3

***Pine Car Derby:** January 20 and 1:00pm

*Please look at the lost and found table located across the hallway from the Inventors classroom under the wish list bulletin board. There are some plastic containers that came from Little Lambs that no one is claiming.

Thank you

Classroom News

Discoverer (6wks-1yr)

We had a wonderful week dancing and listening to *Jacks Big Music Show* cd while we kept busy with our big blocks.

We are sad to see two of our friends are leaving; but happy for our friends, as they will be transferring to the explorer room next week! We will miss you Cayden J. and Nora R!

Explorer Classroom(1yr-2yr)

We had a cool time making snowmen out of plates and construction paper. We got to practice our gross motor by throwing balls into a cardboard snowman. We also learned about Jesus and how much he loves us!

We will miss Owen K. as he will be transferring to the Inventors room next week!

Ms. Rhea

Inventors Classroom (2yr-3yr)

We haven't seen a lot of snow this winter season so far, but we still had a great time talking about snowflakes and snowmen this week! We made snow dough and was able to get our hands dirty feeling and squishing the snow dough with our fingers. We also put colored shapes in with the snow. We used our large motor skills a lot this week during circle time, tossing (a snowball), doing our stretches and dancing to some fun music. We have been doing a lot of counting to 10 and continuing to learn our colors on our ice cream cone! Our Bible lesson this week was about Baptism and we talked about how Jesus was baptized in a river and it made God very happy.

Next week we will focus on space and learn about the amazing things God made in space.

We would like to welcome Owen K. to our classroom!

Ms. Kellie
