We have been getting to know each other a little better and the summer schedule. The kids are working hard on numbers (1-10), colors and shapes.

June 17-21- Ocean Animals was the theme. We talked about who lives in the ocean and who lives on land. We read some books about ocean animals. Rainbow fish was one of our favorites. We also learned some songs and finger plays.

## **From the PreK/School-Age:**

The kids had a boat load of fun "under the sea" this week! They learned about different sea creatures; which they couldn't help but point out while we watched A Turtle Tale on movie day. We let out our creative side by painting sea shells and put on our chef hats to make pizza from scratch. Yum! The highlight of the week was definitely fishing! We caught a fish! We had a fin-tastic week! Have a great weekend! Sea you later! Ms. Amy and Ms. Rhea
